## Take Time to Pray for Our Churches and Pastors

This month was a first. It was the very first time that I had not received *any news* from any of our 19 churches or church plants. I know that God is at work in our association but it is hard to celebrate the victories or pray for the challenges when we are not aware of them. If your church is part of our association, please encourage your church and its leaders to share about the work God is doing in your church. We all want to hear about what God is doing so we can praise Him for his work and petition Him for your needs. Please take time this month to pray specifically for our churches and their pastors.

Following is a list of our currently affiliated congregations. Church plants are denoted with an asterisk.
